

HEPATITIS B VACCINE DECLINATION FOR POST YOUTH/ADULT VOLUNTEERS

I understand that due to my voluntary participation in Exploring activities, I may be exposed to blood and other potentially infectious materials, and may therefore be at risk of acquiring hepatitis B (HBV) infection. I have been given the opportunity to be vaccinated with hepatitis B vaccine (check one):

At my expense **At a reduced cost** **At no charge to me**

However, I decline hepatitis B vaccination at this time. I understand that by declining this vaccine, I continue to be at risk of acquiring hepatitis B, which is a serious disease. If in the future I continue to participate in post activities with exposure to blood or other potentially infectious materials and I want to be vaccinated with hepatitis B vaccine, I can receive the vaccination series (check one):

At my expense **At a reduced cost** **At no charge to me**

(A parent/legal guardian must also sign if participant is under 18 years of age.)
